

Group 4 (PETA)
English 10 - Term 1
10 – St. Dominic de Guzman

ENVIRONMENTAL ISSUE: Climate Change

OVERVIEW: “In 2060, climate change has turned the outside world into a place people can no longer face unprotected.”

CHARACTER GUIDE:

ETHAN - Main character. Curious, adventurous, and a little impulsive.

JAKE - Funny and playful. Always has something to say.

MAYA - Quiet and observant. Notices things others might miss.

RYAN - Skeptical and practical. Questions things before going along with them.

SOPHIE - Caring and supportive. Looks out for the others.

ALEX - Confident and easy-going. Usually goes along with the group.

SCENE 1 — 2060: A NORMAL DAY

[BLACK SCREEN.]

[A phone notification sound.]

BEEP.

[Silence.]

BEEP. BEEP.

[Ethan's phone lights up.]

PHONE NOTIFICATION:

ENVIRONMENTAL ALERT! 🚨

Air Quality: **UNSAFE**

Temperature: **46°C**

Residents are advised to avoid unnecessary outdoor activity.

[Ethan, 16, wakes up and checks his phone. He looks at the notification for a moment, then sighs.]

ETHAN:

Again?

[Ethan puts on his mask, goggles, gloves, and protective clothing.]

[He checks his phone again and opens the group chat.]

ETHAN:

You guys ready?

JAKE:

Give me five minutes.

ETHAN:

You said that ten minutes ago.

JAKE:

Exactly. So, I only need five more.

[Ethan shakes his head.]

[A few moments later, the six friends meet outside. All wearing protective gear.]

JAKE:

46 degrees and we're still going outside?

MAYA:

You say that like it's new.

RYAN:

It's always been like this.

MAYA:

Not always.

[Ethan looks at her.]

ETHAN:

What do you mean?

MAYA:

My grandmother said people used to go outside without all this.

JAKE:

Without masks? Sounds crazy.

[They laugh]

[Ethan looks around at the hazy surroundings. For a moment, he becomes quiet.]

[Another phone notification sounds.]

BEEP.

PHONE NOTIFICATION:

AIR QUALITY UPDATE! 🚨

Conditions have worsened. Residents are advised to remain indoors.

[The group stops.]

ALEX:

Well, there goes our day.

[They look at each other.]

ETHAN:

Then let's go somewhere else.

[They continue walking.]

CUT TO BLACK.

SCENE 2 — THE ABANDONED FACILITY

[The group continues walking.]

JAKE:

So, where are we actually going?

ALEX:

I don't know. We could just walk around.

RYAN:

We left the house just to walk around?

JAKE:

Pretty much.

MAYA:

You guys are the ones who wanted to go out.

JAKE:

And I stand by that decision.

[Ethan suddenly stops.]

ETHAN:

Wait. What's that?

[The others look toward an old building partly hidden by overgrown plants.]

MAYA:

Isn't that the old research facility?

RYAN:

Yeah. I thought it was restricted.

SOPHIE:

It is.

ETHAN:

Why?

MAYA:

I'm not sure. It's been abandoned for years.

JAKE:

Okay, now I'm interested.

SOPHIE:

Of course you are.

ETHAN:

Let's take a look.

RYAN:

You can't be serious.

ETHAN:

We're just looking.

ALEX:

Come on. It could be interesting.

[Ethan starts walking toward the building.]

SOPHIE:

I already know this is going to be a bad idea.

JAKE:

Probably.

[They reach the entrance. A faded sign reads:]

△RESTRICTED AREA — DO NOT ENTER!

[Ethan looks at the sign, then at the others.]

ETHAN:

Still wanna turn back?

RYAN:

Yes.

JAKE:

No.

[Ethan opens the door.]

SCENE 3 — INSIDE THE FACILITY

[The group enters the facility. The room is dark and dusty. Old equipment and papers are scattered around.]

JAKE:

Okay... this place is actually creepy.

ALEX:

You were the one who wanted to come in.

JAKE:

I didn't know it would look like this.

[Maya looks around the room.]

MAYA:

Guys, look.

[She points to an old wall covered with photographs and papers.]

MAYA:

These are dated 2026.

RYAN:

2026? That's over thirty years ago.

ETHAN:

What were they doing here?

MAYA:

I don't know.

[She notices a photo showing a much greener version of the area outside.]

MAYA:

Wait...

SOPHIE:

What?

MAYA:

Look outside.

[They look through a dusty window. The area outside is dry and hazy.]

MAYA:

This doesn't look anything like the pictures.

[The group becomes quiet.]

JAKE:

Okay... that's weird.

RYAN:

Maybe we should leave.

ALEX:

Wait. Let's see what else is here.

[Ethan notices something on a nearby desk.]

ETHAN:

Guys, there's a phone here.

[He picks up an old phone and presses the power button. The screen lights up.]

SOPHIE:

How is that still working?

MAYA:

There's a recording.

MAYA:

Play it.

[Ethan presses play.]

CUT TO BLACK.

SCENE 4 — THE RECORDING

[Ethan connects the device to the TV. The screen flickers before an old video begins.]

[A group of friends from 2026 are hanging out in a living room. Someone is filming while the others joke around, eat, and laugh.]

FRIEND 1:

Wait, wait! Get a picture of this.

FRIEND 2:

Why? You look terrible.

FRIEND 1:

Exactly. That's the point.

[Everyone in the recording laughs.]

[Sophie smiles at the screen.]

ALEX:

Look at them.

JAKE:

That one's definitely going to regret this tomorrow.

[Alex laughs. Sophie shakes her head, still smiling.]

[The camera moves around the room. Someone starts dancing badly in the middle of the room.]

FRIEND 3:

You're so embarrassing!

FRIEND 2:

You're just jealous!

[Jake laughs.]

[Ryan glances toward the TV playing quietly in the background.]

TV REPORTER (BACKGROUND):

Good afternoon, Metro Manila. Expect another hot day today, with temperatures reaching around 34 degrees. There's also a chance of rain later this afternoon.

[Ryan's expression changes slightly, but he says nothing.]

[In the recording, one of the friends reaches for the remote.]

FRIEND 1:

Can you turn that down?

[The TV gets quieter. The friends continue talking and laughing.]

FRIEND 2:

We're doing this again next week, right?

FRIEND 3:

Obviously.

[The camera shakes as everyone starts talking over each other.]

FRIEND 1:

Okay, one last picture!

[The screen freezes on the group laughing together.]

[Sophie is still smiling. Maya quietly watches the frozen image.]

[The recording ends.]

[The room goes quiet.]

MAYA:

They really thought everything was fine.

[No one responds.]

[Ethan looks at the device for a moment.]

ETHAN:

Let's go.

[They leave the room.]

CUT TO BLACK.

SCENE 5 — AFTER THE RECORDING

[The group walks down the hallway, leaving the room behind.]

ALEX:

Okay... that was actually fun to watch.

JAKE:

Yeah. They were chaotic.

SOPHIE:

The dancing was terrible.

JAKE:

Exactly. I respect it.

[Sophie laughs.]

RYAN:

It's weird seeing people from that long ago just... hanging out like that.

MAYA:

Yeah.

ALEX:

I wonder if they still remember that day.

JAKE:

Probably not.

[Ethan stays quiet.]

SOPHIE:

Ethan?

ETHAN:

Hm?

SOPHIE:

You coming?

ETHAN:

Yeah.

[Ethan catches up with them.]

SCENE 6 — THE REALIZATION

[The group continues walking. Ethan is quieter than usual.]

SOPHIE:

You're still thinking about that video?

ETHAN:

Yeah.

JAKE:

What about it?

ETHAN:

I don't know. They were just... normal.

ALEX:

What do you mean?

ETHAN:

They were making plans. Taking pictures. Laughing. They had no idea what was coming.

RYAN:

None of us really do.

MAYA:

But we know what ours looks like now.

[Ethan looks around.]

ETHAN:

Exactly.

[A short silence.]

SOPHIE:

So what are you thinking?

[Ethan looks at her.]

ETHAN:

What if we get another chance?

JAKE:

To do what?

ETHAN:

I don't know. Just... something.

[The others look at him.]

ETHAN:

If I could go back, I'd want to do things differently.

[A brief silence.]

MAYA:

Then maybe you should.

[Ethan looks at Maya.]

ETHAN:

Maybe.

[The sound around them begins to fade.]

[Ethan looks around. The world starts to blur.]

ETHAN:

Wait—

[CUT TO WHITE.]

[Ethan suddenly wakes up.]

CUT TO BLACK.

SCENE 7 — THE CHOICE

[Ethan suddenly wakes up in his bed.]

[He looks around, confused. His room is normal. Morning light comes through the window.]

[His phone vibrates on the bedside table.]

[He picks it up. The screen shows the same kind of weather warning from SCENE 1.]

ETHAN:

2026...

[He looks at the screen again, then around his room.]

[For a moment, he just sits there.]

[His phone buzzes again. A message from Jake appears: "You coming?"]

ETHAN:
Oh, right.

[He gets up and gets ready.]

[Before leaving, he looks at the warning on his phone one more time.]

ETHAN — SOLILOQUY:

I don't know if that was just a dream. But if it was... maybe it was a reminder. We don't know what the future will look like. We just know we have a chance to make it better while we still can.

[He puts his phone away and leaves.]

[CUT TO: Ethan meeting the others outside.]

JAKE:
You're late.

ETHAN:
I know.

ALEX:
What happened to you?

ETHAN:
Nothing. I just had a weird dream.

JAKE:
That explains the face.

[Ethan laughs.]

SOPHIE:
So, what are we doing today?

[Ethan looks at them.]

ETHAN:
Oh, I know what we're doing.

RYAN:
What?

ETHAN:
Let's start with our school.

MAYA:
Start with what?

ETHAN:
Maybe we can start with a cleanup. Get everyone to actually segregate their trash. And... I don't know, maybe find other things we can do after that.

ALEX:

Okay, I'm in.

JAKE:

So we're cleaning today?

ETHAN:

Yeah.

JAKE:

You really did wake up different.

[They laugh.]

SOPHIE:

Come on, then.

[The group walks off together.]

[The camera stays behind for a moment, showing the school grounds and the students around them.]

TEXT ON SCREEN:

"We shouldn't have to lose our world before we choose to protect it."

TEXT ON SCREEN:

"Start with what you can. Start today."

CUT TO BLACK.
